BOL3048

The BOL3048 bollard is a decorative, octagonal, non-lit bollard. Since a 356 alloy aluminum is used to cast the BOL3048 bollard, which is available with a powder-coat finish in many colors to choose from, it is built to withstand all weather conditions. As a standard decorative bollard or modified as a security bollard, the BOL3048 is the ideal specification to line sidewalks and walkways, parking lots, parks, schools and universities, government buildings, and much more.

Bollard is "Buy America Act" Compliant Proudly Made in the U.S.A.
