The Bell offers a traditional mission bell look, while being fully operational with today’s high performance and low energy lighting standards. Available in two sizes, the Bell produces maximum downlight with full cut-off optics and can be provided with up to 200 watts of LED, which produces 19200lms. Suitable for cross arm, pendant and wall mounted specifications; the Bell is the perfect solution to light streets, historical sites, government buildings, schools and universities, parking lots, site and walkway lighting, and much more.
Environmental Lighting for Architecture, Inc. (ELA) offers a Five (5) Year Warranty on all products exclusively manufactured by ELA. Furthermore, ELA offers a Five (5) Year Warranty on all LED and LED components; and guarantees that no fewer than 90% of the diodes in each fixture will still be operating during this time. Please contact ELA for the details of each warranty.
